TERMS AND CONDITIONS - SEE ALSO BACK HEREOF

WAREHOUSE TO WAREHOUSE: This insurance attaches from the time the goods leave the Warehouse and/or Store at the place named in the Policy for the commencement of the transit and continues during the ordinary course of transit, including customary transshipment if any, until the goods are discharged overseas from the overseas vessel at the final port. Thereafter the insurance continues whilst the goods are in transit and/or awaiting transit until delivered to final warehouse at the destination named in the Policy or until the expiry of 15 days (or 30 days if the destination to which the goods are insured is outside the limits of the port) whichever shall first occur. The time limits referred to above to be reckoned from midnight of the day on which the discharge overseas of the goods hereby insured from the overseas vessel is completed. Held covered at a premium to be arranged in the event of transshipment, if any, other than as above and/or in the event of delay in excess of the above time limits arising from circumstances beyond the control of the Assured. BOTH TO BLAME CLAUSE: Where goods are shipped under a Bill of Lading containing the so-called "Both to Blame Collision" Clause, these Assurers agree as to all losses covered by this insurance, to indemnify the Assured for this Policy's proportion of any amount (not exceeding the amount insured) which the Assured may be legally bound to pay to the shipowners under such clause. In the event that such liability is asserted the Assured agrees to notify these Assurers who shall have the right at their own cost and expense to defend the Assured against such claim.

MACHINERY CLAUSE: When the property insured under this Policy includes a machine consisting when complete for sale or use of several parts, then in case of loss or damage covered by this insurance to any part of such machine, these Assurers shall be liable only for the proportion of the insured value of the part lost or damaged, or at the Assured's option, for the cost and expense, including labor and forwarding charges, of replacing and repairing the lost or damaged part; but in no event shall these Assurers be liable for more than the insured value of the complete machine.

LABELS CLAUSE: In case of damage affecting labels, capsules or wrappers, these Assurers, if liable therefor under the terms of this policy, shall not be liable for more than an amount sufficient to pay the cost of new labels, capsules or wrappers, and the cost of reconditioning the goods, but in no event shall these Assurers be liable for more than the insured value of the damaged merchandise.

DELAY CLAUSE: Warranted free of claim for loss of market or for loss, damage or deterioration arising from delay, whether caused by a peril insured against or otherwise, unless expressly assumed in writing hereon.
